“

**ABOUT
US**

Welcome to Future Plus
Enhance your skills with
best Online courses

The three of us are investing time for this venture only with the intention to recreate the future of pupils who have a fix. We realized their (your) impulsiveness, urge to seek, smartness and the strong vision to gain education. But the important thing is missing a helping hand or someone who realized their situation.

So here we decided to start this venture and launched on April 9th 2021 as a result of planning of years. And here we become different. We are here to help you to move on wholeheartedly by introducing the benefit of distance education

“STUDY, HAVE FUN, UNCOVER A NEW PASSION OR LEARN SKILLS.”

We add on some external push for your future, even if it is dropped halfway. There is a chance for you with distance courses. So we are paving a path for you to succeed. We deliberately invite you to join us and we confidently ensure the safety of your future. All spheres of career we come up with what you want and what you need as well as what you have. We considered you as one of us. We were failures, but we changed and we are ready to change you and the world. Future Plus Academy is the best education center among private institutions.

They provide NIOS Online Teaching for SSLC and Plus two as well as certified universities Degree courses too. So it would be a full package of your future. Study, have fun, uncover a new passion or learn skills that just may change your life. Become an online Education student, it's easy. Take online Education courses at your pace, at home or in a cafe. We help you to learn through cool tools, videos and game-like labs, like our 3D virtual molecule builder.

Our Vision & Mission

“ Spreading education all over the world. Sprinkling the inevitable need of education upon the world. We achieved our goal in the base section of education, and we are not tired and trying to establish other projects. ”

OUR SERVICES

- NIOS 10&12
- Mentoring programs for High school
- Degree Courses of reputed universities
- Alma Mater - A complete language

6 MONTH PLUS TWO

The students have to participate in the examination conducted by National Institute of Open School, a central government venture in every April and October. They are eligible to apply for all courses and jobs that are applicable to those who passed the State government's Plus Two. Those who successfully complete the course are eligible for the Medical, Engineering, IT courses as well as any other professional courses. All Indian universities accept our courses.

If you've completed your SSLC and had to discontinue your studies. You might want to pick it up from where you left. This is for you complete the plus two courses with 6 months to one year the choice is yours.

6 MONTH SSLC

Nowadays completing the SSLC is the minimum requirement for almost any jobs you might have lost a few chances in the past but we here at future plus are offering you a chance to resurrect yourself by this 6 months SSLC course sign in and change your future by completing the first step to success.

This course is equivalent to 10th standard of the formal schooling system. One can join this course irrespective of any formal pre-qualification. Successful completion of minimum of five subjects is necessary for obtaining a certificate. Wide range of subjects is available to choose from. The course may be completed in a minimum period of 6 Months to a maximum of 5 years.

ALMA MATER

The alma mater is a new program invited by the future plus to boost your confidence to speak the English language, with our help you can speak English fluently and effectively express your ideas without breaking a sweat.

8TH, 9TH, 10TH TUTION

The workload of the students are hectic right now. Many of the subjects might seem unbreakable. But not anymore , here we offer the tuitions for the 8,9 and 10 standard which make the grasping of the knowledge more accessible and easy so that you can conquer the heights for effectively.

If you or anyone you know are having issues going through these uncharted waters then we can help you understand the curriculum jump right aboard. Let us help you.

DEGREE COURSES

As we know the current situation the job opportunities are getting leaner and the competition is getting higher and an undergraduate degree would look good in resume when you try to hunt for the next job. We know the issues of surviving in this vast world without a degree that's why we are here with our program.

You can continue your voyage into the world of opportunities using our degree courses we offer the courses of various reputed universities and you just have to pick up where you left and start studying.

PG COURSES

Completed the degree and landed on a job , the next thing we need to consider is powering up hence we came up with our PG courses to boost up your climb ahead of the ladder and win the race. Be the best, with us. Join the post graduate courses from various esteemed universities with affiliation which would help to boost up your career. The future is yours and we are the torch bearers.

As we have seen before, the importance of PG Courses in India is more or less career dependent. Since there are thousands of students graduating each year you need to have the distinction to help you stand out. The PG Courses in India also helps one specialise in certain fields. The PG Courses in India enables the student to have in depth knowledge of the subject they want to deal with. Hence we see how important PG Courses in India is.

The main purpose of PG Courses in India is to impart in depth knowledge of different subject which one chooses. Yet today it is important for one to have a Masters Degree if he or she wishes to get a job. The job opportunity depends upon the PG course that one chooses. So you can pick one of the more lucrative PG Courses in India if your main intention is to get a job.

PG COURSES

“

If you are not a graduate you cannot pursue PG Courses in India. Different PG Courses in India has different requirements. For some PG Courses in India you need to have pursued the same course for your graduations. ”
